UC SIGMA CHI

On behalf of UC's Sigma Chi Chapter, I would like to extend our interest to work with the ICYO program once again this upcoming semester. Only great things are spoken about the opportunities that are made for the children around our fraternity. We would love to continue to help tutor and mentor these children and teach them the necessary skills they may need to assure success in their education and social experiences as well. I hope that we can help weekly, preferably on Wednesdays from 5-7, and continue to show our brothers the amazing work that you do.

VERMONT ELEMENTARY SCHOOL IN WYOMING DONATES SCHOLASTIC BOOKS

For the sixth year, the second grade classes of teachers Mrs. Stewart and Mrs. Holliday, at Vermont Primary School (Wyoming City Schools), donated forty-three (43) scholastic books and handmade board games along with die, playing pieces and a hand-written note in each book. The children in their second grade classes made board games to accompany each book. After a book is read, the children play the matching board game.

Our kids absolutely love story time and playing the board games.

Many HUGS to Mr. Stewart and Mrs. Holliday and their second grade artistic & creative students!!

What a beautiful gesture of LOVE in Action from one child to another child!

Thank you to Mrs. Stewart, Mrs. Holliday for your donations of the scholastic books and selecting our ICYO children with this labor of love! They have so much fun listening to the stories then playing the games. They will enjoy reading the adorable notes from your students.

"DID YOU KNOW"

As part of Inner City Youth Opportunities' 25th Anniversary celebrations we will be highlighting some of our achievements and fun facts in a "Did You Know" as part of our social media. We hope you get to know more about the rich history of ICYO through these fun facts.

"Did You Know" that HEAD Racquet Sports became ICYO's tennis sponsor a few years into the program. HEAD provided all our racquets, T-shirts, hats, and tennis & travel bags. www.icyocincinnati.org

Volunteer Tutors Needed for 2018 WINTER-SPRING ICYO Program

"The Importance of Tutoring:"

by T. Cardin on February 3, 2012

"When our children are young, it is important to cultivate a deep love of learning in them. Many times, our children are very receptive to the idea of learning, but often, for those children who struggle with a simplified educational process, the idea of learning is a turn-off. "

"Tutoring can come in many forms and most always should be customized to meet the personal and educational goals of the participant." "Many children in a small group

or in a one-on-one environment, will be freer to conquer their weaknesses head on due to the relaxed atmosphere."

Contact Jeanne Bell at jeanne@icyocincinnati.org if you have time to volunteer as a tutor.
