Monthly Update: Making a Difference

ICYO will be purchasing Scholastic leveled reading books and YMCA Camp Ernst Adventure Kits for 5 weeks at \$35 for each of our students (14) that have attended Camp Ernst that are currently enrolled in ICYO. "The kits are full of summer adventures to complete at home. The kits include the following: STEM activities, physical challenges, scheduled online camp counselor interactions, on demand camp videos." Camp Ernst

ICYO is accepting donations towards the purchase of Scholastic books and the Camp Ernst Adventure Kits on the ICYO web site at www.icyocincinnati.org through paypal. Click on the DONATE button. Our goal for Camp Ernst kits and Scholastic books is \$5,000.

Covid-19 Update June 15, 2020

As of today, June 15, 2020 ICYO programs remain closed. We have made a decision to not open ICYO tennis camp this summer due to lack of transportation and the strict guidelines for keeping our ICYO campers safe.

Camps YMCA Camp Ernst & Camp Joy have canceled their summer camps and ICYO is not able to transport our campers to Cincinnati Nature Center Day Camp.

There will be Horse Therapy Camp at New Day Ranch in Verona, KY for a few of our older ICYO students during the weeks of July 20-24 and July 27-31. New Day Ranch is a sponsored camp.

ICYO will be providing summer remote tutoring once we have collected all the student information on what their needs are to make this happen. We also will be mailing out educational tutorial materials. ICYO will be purchasing Scholastic leveled reading books and YMCA Camp Ernst Adventure Kits every week at \$35 for each student. "The kits are full of summer adventures to complete at home. The kits include the following: STEM activities, physical challenges, scheduled online camp counselor interactions, on demand camp videos." Camp Ernst

ICYO is accepting donations for the Scholastic books and the Camp Ernst Adventure Kits on the ICYO web site at www.icyocincinnati.org through paypal

Volunteers will be notified if they wish to help with remote summer learning. We are still planning for our September 2020 Homework Assistance & Tutoring Program.

Stay Tuned!
